

Starlight Studio and Art Gallery is a cooperative environment where creativity flourishes

Check out what your donation supports!

Rosalind Campbell, a member of the storytelling group, Tradition Keepers, captivated the artists at Starlight with her stories and information about African American experiences.

The Starlight artists are excited about the formation of our new parent company, Beyond Support Network!

Sheila Bush isn't only a Starlight artist, she is now part of the staff! She has been hired as an Art Studio Aide.

Starlight is thrilled to welcome 7 new artists.

Here is Alize Williams, a talented portrait artist!

It has been enriching for the Starlight writers to be working most of the year with Susan Anner, a teaching artist from Just Buffalo Literary Center.

In the exhibit, ***Seeing Green: Finding Light in Winter***, 18 Starlight artists showed their lush artworks that were inspired by visits to the Buffalo and Erie County Botanical Gardens.
